### About Me

"Motivated web developer with a solid foundation in PHP and Laravel, currently expanding my skill set. While I'm still learning, I have already developed a good grasp of building efficient, user-friendly web applications. Eager to grow and apply my knowledge to create high-quality, scalable solutions in real-world projects."

### Experience

Techware Pvt. Ltd. | Intern  
2080-09 2080-11

- Gained hands-on experience with Laravel, working on multiple projects in a collaborative team environment.
- Contributed to the development and maintenance of live websites.
- Worked closely with senior developers to implement features, troubleshoot issues, and optimize code for performance.
